

Best Kept Secret In The Mountains . . .

The words beauty, seclusion, quiet, comfort, intimacy, and peace describe the ENOTA Campground and Resort. Just imagine a three-story waterfall and numerous streams running throughout a gorgeous pristine wilderness setting. Nestled right in the Appalachian Mountains, Enota's beautiful landscape offers two-bedroom cabins, honeymoon Jacuzzi suites, spacious RV pads with decks and secluded tent sites. There are even Bunkhouses for hikers and seminar attendees. We offer meeting rooms and more.

Enjoy hiking trails, trout pond fishing, swings, benches, trampolines, a covered pavilion, trees, streams, mountains, and waterfalls. We are less than three miles from the entrance to Brasstown Bald, the highest of Georgia's Blue Ridge Mountains.

ENOTA, in Cherokee, means "the place that nurtures and nourishes". So on a cold evening, drop by the beautifully restored lodge, enjoy a cup of hot cider, and share the warmth from the old stone fireplace and relaxed atmosphere created by living so close to nature. Get to know friends you never met or spend quiet moments together with a loved one. Also in the lodge, you will find an interesting selection of videos available from the video library to be rented and viewed in the comfort of your cabin or RV. The family room is also equipped with fun games of every kind, catering to both the young and mature.

Our year-round accommodations include one to four bedroom cabins, RV pads (each with its own concrete pad and deck with water, sewage and electricity), gravel RV sites with full hookups, tent/pop-up sites with water/electric, primitive tent sites and a Tipi village with a big medicine wheel. As our guests, whether you bring your RV, tent or stay in one of our cabins, you will fall asleep and wake up to the music of our streams. Wherever you are on the grounds, you are never more than a few paces from a stream's cool, bubbling rush.

Gather at the lodge for an early morning cup of coffee and get information on current upcoming events in the nearby areas. ENOTA Lodge is the perfect base for visits to charming mountain towns such as Helen, an Alpine village; or Dahlonega, the site of America's first gold rush. Hiwassee is the site of the Georgia Mountain Fair, Georgia's most unique fair. Activities nearby include boating on Lake Chatuge, white water rafting on the Ocoee, horseback riding, tubing, mountain craft fairs and festivals, panning for gold and precious gems, or just relaxing here with us.

For an event that would be more enjoyable in a semi-outdoor setting, we have a 3000 square foot covered pavilion, the Nut Shell, near the junction of two of our streams. This spacious structure is the ideal setting for sports, dances, reunions, or enjoying live entertainment. Several large meadows nearby room for outdoor events. Near the Nut Shell is the outdoor kitchen and picnic area.

Charges based on a per person rate and include the use of all the facilities designated in the agreement. Cabins, bunkhouses, tipis or camping for a complete experience.

ENOTA CAFÉ

Sunday breakfast available with advance notice.

FISHING

Our fully stocked trout fishing pond is available for fishing on a catch-and-keep basis by the pound. Can't you smell that rainbow trout cooking over a glowing campfire? Don't care to fish?? Maybe you would like to feed our trophy-size trout in another pond designated for watching and feeding only. The trout provide quite a sight as they all scramble to get their share of treats.
